Note One: 50p from each Programme sold will be forwarded to the respective County's National Darts Organisation or as otherwise notified

Note Two: The Additional £1.00 charge for the Divisions: Premier, One and Two programme is to assist with the funding of the of the weekend players incentive prizes that are allocated as agreed for each fixture by the Counties in each of these Divisions

Divisions: Scotland North: = £2.00 per Match Programme

Scotland South: = £2.00 per Match Programme

Note Three: Any deductions from Scotland Group Programmes sold to be as agreed by the Scotland Darts Association

2.7 BDO MEETING TRAVEL EQUALISATION SYSTEM

In the interest of fairness there is in place a system which seeks to 'equalise' travel costs incurred by Counties when attending BDO Meetings based on the actual mileages travelled with the implementation of graduated payments or refunds calculated as follows

- a. The mileage calculation is made from each Member County's BICC venue to the BDO Meeting venue and return
- b. The mileage calculated for each county is then added together to give an overall total mileage
- c. This figure is then divided by the number of member counties to give an 'average mileage'
- d. All member counties who are situated inside of the 'average mileage' will pay a sum equal to their actual mileage multiplied by a set amount per mile for each scheduled meeting in the current year [at present = 3 meetings per year].
- e. All member counties situated outside of the 'average mileage' will each receive a contribution equal to their actual mileage multiplied by a set fee per mile for each scheduled meeting in the current year [at present = 3 meetings per year].
- f. The schedules of payments will be administered by the BDO Finance Officer
- g. The amounts paid out are a contribution toward travel costs only.
- h. If a County entitled to a contribution does not attend a meeting then the contribution will be forfeited
- i. If a County from whom a payment is due does not attend a meeting then that payment remains due
- j. The system should ensure that the schedule of payments is equal to the schedule of contributions but any 'rounding' surplus at the end of a season will be taken into account when deciding the figures for the next season.

3.0 MEMBER ONLY TOURNAMENT ENTRY FEES

- a. Each Entry Fee shall be payable to the **British Darts Organisation Enterprises Ltd.**, and not to any individual person.
- b. The Board of Directors shall review each Fee, and set the amount due, in each Playing Season.
- c. Notice of the fees will be announced at a Full Council Meeting at least 6 [six] months prior to the Event.
- d. The Entry Fee, together with the appropriate Entry Form, and any required supporting Super League registration documents shall be sent to the following address, or submitted electronically, within the time frame as instructed on the entry form i.e. by the stipulated Closing Date for that darts event.

APPENDIX 'D'

MEMBER COUNTY FINANCES

GUIDELINES FOR MEMBER COUNTY ACCOUNTING RECORDS

The following guidelines detail recommended procedures appertaining to the management and control of Member County finances

D - 1 Responsibilities of the County Executive Officers

- a. Although it is the County Treasurer who is primarily responsible for the County Organisation/ Association funds the other Executive Officers are also responsible to ensure that those funds are safeguarded as these are the individuals who could be called upon to meet any legitimate debt of the County which the County cannot meet out of its own resources.
- b. It is therefore advisable for all the Executive Officers to ensure that they are frequently made aware of the financial position of the County Organisation/ Association [hereafter referred to as the "County"]

D - 2 Recording Procedures

Some of the more important procedures that a County should adopt are as follows:

- a. Maintain a book or spreadsheet which records all transactions made by cash and those made through the County's bank account.
- b. For cash transactions it is recommended that a duplicate book be given to each person who handles cash i.e. personnel on the door or in charge of a marketing stall.
- c. At the end of each session or day to enter cash receipts into the book and hand to the Treasurer the cash and a receipt for that money.
- d. The Treasurer is then able to enter these receipts into the accounting records and the bank paying in book, if appropriate.

D - 3 Cheque Signings

- a. All cheques issued by the County should require a minimum of two of the Executive Officers' signatures.
- b. The practice of signing "blank" cheques should be forbidden.

D - 4 Bank Mandates

- a. The Bank Mandate signatories should cover for illness or unavailability and be worded "Any two of the following three/four signatories" as appropriate. Instruction should be given to the Bank that statements should be sent to the Secretary or Chairman of the County. This then ensures that another Executive Officer can visually inspect the account to see that bank deposits are made regularly and that no unusual payments have occurred before passing the statements to the Treasurer.

D - 5 Banking Procedures

- a. All monies and cheques received should be promptly paid into the bank account of the County.
- b. Wherever possible the County's debts should be paid by cheque or BACS with any cash payments being kept to a minimum.
- c. This not only provides extra documentary evidence of the payment but it avoids the necessity of the Treasurer retaining cash to meet future payments.

D - 6 Invoices and Receipts

- a. Invoices and other documentary evidence should be retained to support all payments and as a cross check to the accounting records.

D - 7 Inspection of Banking and Transaction Records

- a. The Executive Officers should regularly inspect the bank paying-in book to ensure that monies and cheques received are being paid into the bank account promptly.
- b. The books recording cash transactions should also be inspected at regular intervals and checked to verify the accuracy of the entries of transactions in the paying in book. Chequebook stubs should also be checked to ensure that the entries match those indicated on the bank statements.
- c. All inspections made should be recorded in the minutes of the next Committee/ Executive meeting.

Continued: -----

GUIDELINES FOR MEMBER COUNTY ACCOUNTING RECORDS [Continued]

D - 8 Authorisation to incur debts

Only the Executive Officers should be authorised to incur debts on behalf of the County.

D - 9 End of Year Accounts

- a. At the end of the financial year the Treasurer should produce a Balance Sheet and either, a Profit and Loss Account, or an Income and Expenditure Account for the year ending on the same date as the Balance sheet.
- b. These reports should be produced annually and should be presented to the members at the Annual General Meeting for scrutiny, clarification, and adoption.

D - 10 Reporting on Accounts

- a. The correctness of the accounts referred to in Item 9.0 [above] should be reported upon by, ideally, a firm of professional accountants.
- b. If that is not practical then two members of the County should be specifically appointed for this purpose.
- c. These members must not hold any other office within the County or be related to the Treasurer or any of the Executive officers.

D - 11 Financial Records

- a. The County Executive officers should have a letter or form signed by the person responsible for maintaining the Financial Records agreeing that all records, whether manual or electronic, paperwork, vouchers, invoices, receipts and bank statements are the property of the County and will on cessation of the position return all records to a member of the Executive.
